## *WORD FROM PRINCIPAL'S DESK*

It is a matter of immense pleasure that Vidyalaya is bringing out first edition of its Newsletter of Primary Section during an unexpectedly prolonged lockdown period. There are so many changes that we can see, besides the conventional teaching methods in the new lockdown situation. Various platforms like Whatsapp, Google Classroom and Google meet have become effective tools. Whatever, may be the situation the mission of the Kendriya Vidyalaya Subathu is to strive for all round growth in a caring and challenging environment so that each child may achieve her/his full potential. The endeavour of the Kendriya Vidyalaya Sangathan has been to keep abreast with a latest trends in Primary Education with regard to Back to Basic, implementation of CAL and Common Minimum Programme for qualitative improvement in Primary Education. I congratulate the editor and students of primary Section for bringing out this issue of CMP Newsletter.

## *WORD FROM I/C PRIMARY*

It is a jubilant moment to witness the materialization of first Edition of "NEWS LETTER" during the lockdown period.

There is a paradigm shift in the teaching mode due to the closure of schools. Online teaching using various platforms like whatsapp, google classroom and google meet have become need of hour. The mission of this Newsletter is to give an exposure to the creativities of the students, interests and aptitudes even during the lockdown period. Education in the new era means the holistic development of the students. The

Common Minimum Programme (CMP) is a noble idea to achieve such goals. I am extremely thankful to the editorial team, primary staff and the students for bringing out this edition of the newsletter.
